

TEAGAN ROBINSON

I N T E R I O R A R C H I T E C T U R E & D E S I G N

PROFILE

I am a graduate interiors student with a passion for impactful, sustainable design. It is my belief that the built environment can create real change through meaningful experiences. Knowing the responsibility a designer holds, I'm driven towards a life of learning. My goals include earning a LEED ID+C credential, passing the NCIDQ exam, and continuing self-education through the whole of my career. I am eager to learn about the world as I design for it.
