**CANDIDATE STATEMENT:** In 300 words or less, state why the role is of interest to you, what you hope to bring to the design community through a position on the chapter board.

I have loved my time on the ASID Board in both roles I have fulfilled. I believe I have been a loyal and active board member, as was demonstrated by my recognition at the 2024 IDAs. I am excited to move on to an ever greater role by giving back through Professional Development, as ASID has been key in my own professional development as an emerging professional in the Greater Philadelphia interior design community. I began shadowing Bryana's responsibilities for the past three months and feel I have an excellent understanding of the role. I would be honored to continue and grow what Bryana has started!
